LACK OF INDEPENDENCE

Why we are not independent, impartial, or unbiased in relation to the provision of personal advice and the impact of this on you.

We are not independent, impartial, or unbiased pursuant to section 923A of the *Corporations Act* because:

- We may receive remuneration, commission, and/or other benefits when we provide personal advice to you in relation to insurance products and other financial products;
- We may also be subject to direct or indirect restrictions relating to the financial products in respect of which personal advice is provided; and/or
- We may have associations or relationships with issuers of insurance products and other financial products.

Further information about these benefits and relationships is set out in this Financial Services Guide.

If you have any questions about this information, please ask us.

FURTHER INFORMATION WHEN PERSONAL ADVICE IS GIVEN

We will provide you with further information whenever we provide you with advice, which considers your objectives, financial situation, and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice (**SOA**).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

PRODUCT DISCLOSURE STATEMENT

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (**PDS**), unless you already have an up to date PDS from the insurer. The PDS will contain information about the policy, which will enable you to make an informed decision about purchasing that product.

FROM WHEN DOES THIS FSG APPLY?

This FSG applies from 19th September 2023 and remains valid unless a further FSG is issued to replace it. We may give you a supplementary FSG. It will not replace this FSG but will cover services not covered by this FSG.

You can contact us to give us instructions by post, phone, fax or email on the contact number or details mentioned above.

WHO IS RESPONSIBLE FOR THE FINANCIAL SERVICES PROVIDED?

Apollo Risk Services is responsible for the financial services that will be provided to you, or through you to your family members, including the distribution of this FSG.

Apollo Risk Services holds a current Australian Financial Services Licence No: 403727.

The contact details for Apollo Risk Services are on page 1 of this FSG.

WHAT KINDS OF FINANCIAL SERVICES ARE YOU AUTHORISED TO PROVIDE TO ME AND WHAT KINDS OF FINANCIAL PRODUCT/S DO THOSE SERVICES RELATE TO?

Unicorn Risk Solutions is authorised to advise and deal in general insurance products to wholesale and/or retail clients under Apollo Risk Services Australian Financial Service Licence. We will do this on your behalf as your broker unless we tell you otherwise.

Sometimes we will act under a binder or agency Apollo Risk Services has from an insurer. When we act under a binder or agency, we will be acting as the agent of the insurer. This means that we represent and act for the insurer, not for you. We will tell you when we act under a binder or agency to arrange your insurance or advise you about your insurance needs.

RETAIL CLIENTS

Under the Corporations Act 2001 (the Act) Retail Clients are provided with additional protection from other clients.

The Act defines Retail Clients as: Individuals or a manufacturing business employing less than 100 people or any other business employing less than 20 people and that are purchasing the following types of insurance covers: Motor vehicle, home building, contents, personal and domestic, sickness/accident/travel, consumer credit and other classes as prescribed by regulations.

Some of the information in this FSG only applies to Retail Clients and it is important that you understand if you are covered by the additional protection provided.

WILL I RECEIVE TAILORED ADVICE?

Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, or to give you advice about your insurance needs. We will ask you for the details that we need to know.

In some cases, we will not ask for any of this information. If we do not ask, or if you do not give us all the information we ask for, any advice you receive may not be appropriate to your needs, objectives, and financial situation.

You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about insurance policy.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances, or upon renewal of your insurances.

CONTRACTUAL LIABILITY AND YOUR INSURANCE COVER

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

WHAT INFORMATION DO YOU MAINTAIN IN MY FILE AND CAN I EXAMINE MY FILE?

We maintain a record of your personal profile, including details of insurance policies that we arrange for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA or PDS that we give or pass on to you for the period required by law.

We are committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. A copy of our privacy policy is available on request. A copy is also available on [Unicorn Risk Solutions website https://unicornrisk.com.au/](https://unicornrisk.com.au/) and Apollo Risk Services website www.apolloriskservices.com.au.

If you wish to look at your file, please ask us and we will arrange for you to do so.

HOW WILL I PAY FOR THE SERVICES PROVIDED?

Payment for the services we provide you are payable directly to Apollo Risk Services.

For each insurance product, the insurer will charge a premium that includes any relevant taxes, charges, and levies.

Apollo Risk Services often receive a payment based on a percentage of this premium (excluding relevant taxes, charges, and levies) called commission, which is paid to Apollo Risk Services by the insurers. In some cases you will also be charged a fee. These will all be shown on the invoice that is sent to you.

You can choose to pay for our services by any of the payment methods set out in the invoice. You are required to pay Apollo Risk Services within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer or charge you a cancellation fee equal to the reduction in commission.

When you pay us your premium it will be banked into Apollo Risk Services trust account. Apollo Risk Services will retain the commission from the premium you pay us and remit the balance to the insurer in accordance with Apollo Risk Services arrangements with the insurer. Apollo Risk Services will earn interest on the premium while it is in their trust account, or Apollo Risk Services may invest the premium and earn a return. Apollo Risk Services will retain any interest or return on investment earned on the premium.

HOW ARE ANY COMMISSIONS, FEES OR OTHER BENEFITS CALCULATED FOR PROVIDING THE FINANCIAL SERVICES?

Apollo Risk Services commission will be calculated based on the following formula: $X = Y\% \times P$

In this formula:

X = Apollo Risk Services commission

Y% = the percentage commission paid to Apollo Risk Services by the insurer. Apollo Risk Services commission varies between 0 and 35%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

You may be charged a fee for service as well as, or instead of commission. The fee charged will depend on the complexity and level of advice sought and provided, and the time spent on your insurance needs. The fee will be shown on the invoice that we send to you.

Unicorn Risk Solutions will receive 95 - 100% of Apollo Risk Services commission and / or fee charged.

Occasionally we pay commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 30%.

Our employees that will assist you with your insurance needs will be paid a market salary. They may receive bonuses payable based on performance criteria.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

See below for information on the Steadfast association and commission.

DO YOU HAVE ANY RELATIONSHIPS OR ASSOCIATIONS WITH THE INSURERS WHO ISSUE THE INSURANCE POLICIES OR ANY OTHER MATERIAL RELATIONSHIPS?

Apollo Risk Services is a Steadfast Group Limited (**Steadfast**) Network Broker.

As a Steadfast Network Broker, Apollo Risk Services has access to member services including model operating and compliance tools, procedures, manuals and training, legal, technical, HR, contractual liability advice and assistance, group insurance arrangements, product comparison and placement support, claims support, group purchasing arrangements and broker support services. These services are either funded by Steadfast, subsidised by Steadfast or available exclusively to Steadfast Network Brokers for a fee.

Steadfast has arrangements with some insurers and premium funders (**Partners**) under which the Partners pay Steadfast commission of between 0.5 – 1.5% for each product arranged by us with those Partners or alternatively a fee to access strategic and technological support and the Steadfast Broker Network. Steadfast is also a shareholder of some Partners. You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

If we arrange premium funding for you, we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your

insurance premium (including government fees or changes). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0% to 5% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you.

Some insurers may give benefits such as sponsorship of annual conferences, training and invitations to social business functions. The receipt of these benefits may be based upon the volume of business placed with the Insurer or an ad hoc reward. Occasionally we may also receive small gifts and gratuities. Our decision to place business with an Insurer is based on the fact that they provide the best solution for you and not based on any incentive.

PRIVACY POLICY

Apollo Risk Services Pty Ltd trading as Apollo Risk Services ABN 60 367 225 615 holds an Australian Financial Services Licence No 403727 under the Corporations Act 2001.

This Privacy policy applies to Apollo Risk Services staff and Authorised Representatives.

At Apollo Risk Services, we are committed to protecting your privacy in accordance with the Privacy Act 1988 (Cth) and the Australian Privacy Principles. This Privacy Policy describes our current policies and practices in relation to the collection, handling, use and disclosure of personal information. It also deals with how you can complain about a breach of the privacy laws and how you can access the personal information we hold and how to have that information corrected.

What information do we collect and how do we use it?

When we arrange insurance on your behalf, we ask you for the information we need to advise you about your insurance needs and management of your risks. This can include a broad range of information ranging from your name, address, contact details, age to other information about your personal affairs including your assets, personal belongings, financial situation, health and wellbeing. We provide any information that the insurers or intermediaries who we ask to quote for your insurances and premium funding require to enable them to decide whether to insure you and on what terms or to fund your premium and on what terms.

Insurers may in turn pass on this information to their reinsurers. Some of these companies are located outside Australia. For example, if we seek insurance terms from an overseas insurer (e.g. Lloyd's of London), your personal information may be disclosed to the insurer. If this is likely to happen, we inform you of where the insurer is located, if it is possible to do so.

When you make a claim under your policy, we assist you by collecting information about your claim. Sometimes we also need to collect information about you from others. We provide this information to your insurer (or anyone your insurer has appointed to assist it to consider your claim, eg loss adjusters, medical brokers etc) to enable it to consider your claim. Again this information may be passed on to reinsurers.

From time to time, we will use your contact details to send you direct marketing communications including offers, updates and newsletters that are relevant to the services we provide. We always give you the option of electing not to receive these communications in the future. You can unsubscribe by notifying us and we will no longer send this information to you.

What if you don't provide some information to us?

We can only fully advise you and assist in arranging your insurance or with a claim if we have all relevant information. The insurance laws also require you to provide your insurers with the information they need in order to be able to decide whether to insure you and on what terms. You have a duty to disclose the information which is relevant to the insurer's decision to insure you.

When do we disclose your information overseas?

If you ask us to seek insurance terms and we recommend an overseas insurer, we may be required to disclose the information to the insurer located outside Australia. For example, if we recommend a policy provided by Lloyd's of London, your information may be given to the Lloyd's broker and underwriters at Lloyd's of London to make a decision about whether to insure you.

We will tell you at time of advising on your insurance if they are overseas and in which country the insurer is located. If the insurer is not regulated by laws which protects your information in a way that is similar to the Privacy Act, we will seek your consent before disclosing your information to that insurer.

Australian and overseas insurers acquire reinsurance from reinsurance companies that are located throughout the world so in some cases your information may be disclosed to them for assessment of risks and in order to provide reinsurance to your insurer. We do not make this disclosure. This is made by the insurer (if necessary) for the placement for their reinsurance program.

We may also disclose information we collect to the providers of our policy administration and broking systems that help us to provide our products and services to you. These policy administration providers and broking systems may be supported and maintained by organisations in New Zealand, the Philippines and Vietnam and your information may be disclosed to those organisations. Please note that the Privacy Act and Australian Privacy Principles may not apply to these organisations.

How do we hold and protect your information?

We strive to maintain the reliability, accuracy, completeness, and currency of the personal information we hold and to protect its privacy and security. We keep personal information only for as long as is reasonably necessary for the purpose for which it was collected or to comply with any applicable legal or ethical reporting or document retention requirements.

We hold the information we collect from you initially in a working file, which when completed is electronically imaged and stored. After which any paper is destroyed in our onsite shredder or by secure document destruction service providers. In some cases, your file is archived and sent to an external data storage provider for a period of time. We only use storage providers located in Australia who are also regulated by the Privacy Act.

We ensure that your information is safe by protecting it from unauthorised access, modification, and disclosure. We maintain physical security over our paper and electronic data and premises, by using locks and security systems. We also maintain computer and network security; for example, we use firewalls (security measures for the Internet) and other security systems such as user identifiers and passwords to control access to computer systems where your information is stored.

Will we disclose the information we collect to anyone?

We do not sell, trade, or rent your personal information to others.

We may need to provide your information to contractors who supply services to us, e.g. to handle mailings on our behalf, external data storage providers or to other companies in the event of a corporate sale, merger, re-organisation, dissolution, or similar event. We may also disclose information we collect to the providers of our policy administration and broking systems that help us to provide our products and services to you. However, we will take reasonable measures to ensure that they protect your information as required under the Privacy Act.

We may provide your information to others if we are required to do so by law, you consent to the disclosure or under some unusual other circumstances which the Privacy Act permits.

How can you check, update or change the information we are holding?

Upon receipt of your written request and sufficient information to allow us to identify the information, we will disclose to you the personal information we hold about you. We will also correct, amend, or delete any personal information that we agree is inaccurate, irrelevant, out of date or incomplete.

If you wish to access or correct your personal information, please write to our Privacy Officer, Carl King at Apollo Risk Services Pty Ltd, PO Box 17, Mount Lawley WA 6929 or by email info@apollorisk.com.au

We do not charge for receiving a request for access to personal information or for complying with a correction request. Where the information requested is not a straightforward issue and will involve a considerable amount of time then a charge will need to be confirmed for responding to the request for the information.

In some limited cases, we may need to refuse access to your information or refuse a request for correction. We will advise you as soon as possible after your request if this is the case and the reasons for our refusal.

What happens if you want to complain?

If you have concerns about whether we have complied with the Privacy Act or this Privacy Policy when collecting or handling your personal information, please write to our **Privacy Officer, Carl King at Apollo Risk Services Pty Ltd PO Box 17, Mount Lawley WA 6929 or by email info@apollorisk.com.au**

Your complaint will be considered by us through our Internal Complaints Resolution Process. We will acknowledge your complaint within 24 hours and we will respond with a decision within 30 days of you making the complaint. If we need to investigate your complaint and require further time, we will work with you to agree to an appropriate timeframe to investigate. We will provide you with information concerning referring your complaint to the Australian Financial Complaints Authority if we cannot resolve your complaint.

IMPORTANT NOTICES

We have prepared this document to assist you to understand important issues relating to your insurances and recommend you read it carefully. Please contact your Insurance Broker if there is anything you do not understand, or if you have any questions.

YOUR DUTY OF DISCLOSURE *(This applies to non-consumer insurance contracts).*

Before you enter into a contract of general insurance with an insurer, you have a duty to tell the insurer anything that you know, or could reasonably be expected to know, that may affect the insurer's decision to insure you and on what terms.

You have this duty until the insurer agrees to insure you. You have the same duty before you renew, extend, vary or reinstate a contract of general insurance.

You do not need to tell us anything that:

- Reduces the risk the insurer insures you for
- Is common knowledge
- Your insurer knows or ought to know as an insurer
- The insurer waives your duty of compliance about.

If you do not tell us something

If you do not tell the insurer something you are required to, the insurer may cancel the contract or reduce the amount they will pay you if you make a claim, or both.

If your failure to tell the insurer is fraudulent, the insurer may refuse to pay a claim and treat the contract as if it never exists.

Please note that your duty applies also when you seek to renew, extend, alter or reinstate a policy.

DUTY TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION *(This applies to consumer insurance contracts only, these are insurance contracts obtained wholly or predominantly for personal, domestic or householder purposes. Consumer insurance contracts include but are not limited to Home Building, Home Contents, Motor Vehicle, Motorcycle, Residential Strata, Consumer Credit, Sickness & Accident, and Travel).*

You have a duty under the *Insurance Contracts Act 1984 (ICA)* to take reasonable care not to make a misrepresentation to the insurer (**your duty**).

Your duty applies only in respect of your policy that is a consumer insurance contract, which is a term defined in the ICA.

This notice includes information you have previously told us that is relevant to your policy, which we passed on to the insurer. The insurer requires you to contact us to tell us if this information is incorrect, or if it has changed. If you do not tell us about a change to something you have previously told us, the insurer will take this to mean that there is no change.

To ensure you meet your duty, when you contact us to advise of any information that is incorrect or has changed, the updated information you give us must be truthful, accurate and complete.

If you fail to meet your duty, the insurer may be able to cancel your contract or reduce the amount it will pay if you make a claim, or both.

If your failure is fraudulent, the insurer may be able to refuse to pay a claim and treat the contract as if it never existed.

UTMOST GOOD FAITH

Every contract of insurance is subject to the doctrine of utmost good faith which requires that the parties to the contract should act toward each other with the utmost good faith. Failure to do so on your part may prejudice any claim or the continuation of cover provided by Insurers.

CHANGES AND DEVELOPMENTS

This insurance programme has been prepared in accordance with your instructions from known information about your business activities at a certain date. Changes and developments may occur which could have a bearing on the adequacy or efficacy of your insurances.

The following list should be used as a guide to areas of activity which should be notified to your insurance broker immediately as they are proposed or occur so that steps can be taken to ensure your organisation remains adequately protected. It is not exhaustive, so when in doubt please contact your insurance broker for guidance:

- Acquisition of new subsidiaries, mergers or joint ventures in which you are involved in Australia or elsewhere.
- Acquisition, construction or occupancy of new premises; alteration, vacation, temporary unoccupancy, extension or demolition of existing premises.
- Increases in value in excess of policy limits for buildings, plant, machinery or stock (whether due to acquisition, economic inflation or exchange rate fluctuation).
- Alterations to or disconnection of fire or burglary protection systems.
- New contracts, leases or agreements to be signed - Contractual liabilities assumed and legal rights contractually relinquished or diminished, any contracts which impose onerous conditions.
- Changes in processes, occupancy or products and extensions of business operations, including new products or processes.
- Hiring, leasing or borrowing of plant and equipment.
- Acquisition of pressure vessels, lifting equipment or other substantial equipment.
- Movements of stock or equipment to new locations.
- Charter or operation of aircraft or waterborne craft.
- External funding – mortgages or other borrowings which create insurable interest of third parties in insured property.
- Foreign trade and travel – developments involving exposures beyond Australia, overseas acquisitions or exports of products.

NEW BUILDINGS AND ALTERATIONS

Details of any new building or alteration work should be advised during the planning stage to enable your Insurance Broker to advise on:

- A sound and economical approach to construction insurance from your standpoint.
- Appropriate indemnity and insurance clauses to be incorporated in the contract for your protection.
- Standards of fire protection, safety and security.
- Financial loss exposures - if completion of the new building or alteration work is delayed - to determine your need for advance business interruption insurance.

AVERAGE OR CO-INSURANCE

Some policies contain an Average/Co-Insurance clause which means that you must insure for the full insurable value of the property insured. If you under-insure, your claim may be reduced in proportion to the amount of the under-insurance.

A simple example, illustrating the basic principle, application and effect of the average/co-insurance clause is as follows:

Full (replacement) value	\$1,000,000
Sum insured	\$ 500,000
Therefore, you would be self-insured for 50% of the full value.	
Amount of claim, say	\$ 100,000
Amount payable by insurers as a result of the application of average/co-insurance (being 50% of the \$100,000)	\$ 50,000

AVERAGE/CO-INSURANCE – BUSINESS INTERRUPTION POLICIES

Some policies contain an average/co-insurance clause which is fully set out in the 'basis of cover' or 'policy specification' of the policy. For the types of cover most usually provided, the average/co-insurance calculation is arrived at by applying the rate of gross profit, revenue or rentals (as applicable) to the annual turnover, revenue or rentals (as applicable); these factors first being appropriately adjusted as provided for in the 'trend of business' or 'other circumstances' clauses.

If you are in any doubt regarding this clause insofar as it applies to your policy, please contact your Account Manager for assistance.

SUBROGATION AND/OR HOLD HARMLESS AGREEMENTS

You may prejudice your rights with regard to a claim if, without prior agreement from your Insurers, you make any agreement with a third-party that will prevent the insurer from recovering the loss from that, or another party who would be otherwise liable. This can occur when you sign a contract containing an indemnity clause, 'hold harmless' clause or release.

Some policies contain provisions that either exclude the insurer from liability, or reduce its liability, if you have entered into any agreements that exclude or limit your rights to recover damages from another party in relation to any loss, damage or destruction that is the subject of a claim under the policy or where you assume liability under a contract which is different to your liability at law. This is known as a 'contractual liability exclusion' and often appears in public and products liability, broadform liability and professional indemnity policies.

Examples of such agreements are the 'hold harmless' clauses which are often found in leases, in property management contracts, in maintenance or supply contracts from burglar alarm or fire protection installers and in repair contracts. Other contracts you sign from time to time relating to your business operations (e. g. supply agreements, equipment hire contracts, event hire contracts, labour hire contracts, subcontracts, design and construct contracts, consultancy agreements etc.) may contain indemnity clauses and releases which may trigger the operation of policy exclusions or breach the conditions of your insurance.

Do not sign a contract or lease without contacting your broker and/or taking legal advice as to whether the contract terms will prejudice your insurance protection under your policies. If you are in doubt or require further assistance, please consult your Account Manager.

UNNAMED PARTIES AND OTHER POLICY REQUIREMENTS

If you require a person to be named as a co-insured, joint insured, insured person or

if you require the interest of a party to be covered by your policy, you **MUST** request this. Most policy conditions will exclude indemnity to other parties (e. g. , mortgagees, lessors, principals etc) unless their interest is properly noted on the policy. Please note, we cannot guarantee that an insurer will accommodate a request to include a further party as an insured under your policy or to note the interests of another party on your policy.

If this is a requirement under a contract or agreement, do not sign the contract without checking with us as to whether the insurer is prepared to include the other party as an insured or note that party's interests. You should be aware that it may not be in your best interests to arrange to have someone else insured under the terms of your policy.

If you would like assistance or guidance with the insurance requirements under a contract, please consult your account manager.

INSURANCE PLACED WITH UNAUTHORISED FOREIGN INSURERS

We will identify in this report the policies that we have placed with an unauthorised foreign insurer (on your instructions) and the specific information relating to that insurer.

If the policy is an atypical risk or the policy cannot reasonably be placed with an Australian authorised insurer and we have placed the policy with an unauthorised foreign insurer (on your behalf), please note:

An unauthorised foreign insurer is an insurer that is not authorised under the Insurance Act 1973 (Act) to conduct insurance business in Australia and is not subject to the provisions of that Act, which establishes a system of financial supervision of general insurers in Australia that is monitored by the Australian Prudential Regulation Authority (APRA).

The insurer cannot be a declared general insurer for the purpose of Part VC of the Insurance Act 1973, and, if the insurer becomes insolvent, you will not be covered by the Federal Government's Financial Claims Scheme provided under Part VC of that Act.

You should consider whether you require further information regarding:

- The country in which the insurer is incorporated, and what scheme of financial supervision of insurers applies
- The paid-up capital of the insurer
- The insurer's rating by credit rating agencies
- The insurer's financial reports
- Which country's laws will determine disputes in relation to the policy.

As your insurance broker, we do not warrant or guarantee the current or ongoing solvency or financial viability of the insurer because we have no control over the insurer's performance and this can be affected by many complex commercial and economic factors. The solvency of an insurer can change significantly between the time an insurance contract is entered into and the time a claim may be made. If you have concerns about the insurer's solvency you should review the insurer's credit rating from time to time.

This notice also applies to all variations and renewals of the insurance arranged by us with the insurer.

CLAIMS MADE DURING THE PERIOD OF INSURANCE

Your attention is drawn to the fact that some policies (for example, professional indemnity insurance) provide cover on a 'claims made' basis which means that claims first advised to you (or made against you) and reported to your insurer during the period of insurance are recoverable irrespective of when the incident causing the claim occurred, subject to the provisions of any clause relating to a 'retroactive date'.

You should also note that, in terms of the provisions of Section 40(3) of the Insurance Contracts Act 1984, where you give notice in writing to the insurer of facts that might give rise to a claim against you as soon as is reasonably practicable after you become aware of those facts (but before the insurance cover provided by the contract expires) then the insurer is not relieved of liability under the contract in respect of the claim, when made, by reason only that it was made after the expiration of the period of insurance cover provided by the contract.

In order to ensure that any entitlement under the policy is protected, you must therefore report all incidents that may give rise to a claim against you to the insurers without delay after such incidents come to your attention and prior to the expiration of the policy period.

CLAIMS OCCURRING PRIOR TO COMMENCEMENT

Your attention is drawn to the fact that your policies do not provide indemnity in respect of events that occurred PRIOR to commencement of the contract.

NOT A RENEWABLE CONTRACT

Cover under your policies terminates on the date shown in this report or as indicated in the corresponding tax invoice or adjustment note.

Some policies are not renewable contracts. If you wish to effect similar insurance for any subsequent period, it will be necessary for you to complete a new proposal prior to the termination of the current policy so that terms of insurance and quotations can then be developed for your consideration.

LEASING, HIRING AND BORROWING PROPERTY

When you lease, hire or borrow property, make sure that the contract clearly identifies who is responsible to insure the property. This will help avoid arguments after a loss and ensure that any claims are efficiently processed.

Your industrial special risks policy automatically covers property you are responsible to insure, subject to the policy deductible. The decision as to who should insure the property is not left to your discretion. You may have other insurance (for example, public liability) which may assist you meet claims relating to property damage or personal injury caused to or by property which you lease or hire. Please note, there is usually a sub-limit on the amount of claims that can be made for damage to property in your temporary care, custody or control.

If the responsibility to insure lies with the owner, we recommend you try to ensure the lease or hire conditions waive any rights of recovery against you, even when the damage is due to your negligence. This will prevent the owner's Insurer making a recovery against you. If there are no lease or hire conditions, you should write to the owner asking who is to insure the property.

APPLICATION OF GST ON INSURANCE POLICIES

Most insurance is deemed a taxable supply (i. e. , it is not GST-free), although there are some classes of insurance that do not attract GST.

For the majority of insurance policies issued, the insurer has a liability to pay GST. This liability can be passed on to the insured. The insured may be able to claim any GST back from the Australian Taxation Office as an input tax credit.

THE AMOUNT OF GST PAYABLE

The consideration paid for an insurance policy consists of premium plus fire service levies (where applicable) and stamp duty.

GST is applied to that part of the amount to be paid net of stamp duty but including any fire services levy.

DECLARATION OF SUMS INSURED

An insured who is registered for GST should consider the net amount (after all ITCs have been taken into account) which is to be insured and advise the sums insured or asset values or turnover on a GST Exclusive basis.

An unregistered insured who is wholly input taxed or a registered insured who is partially input taxed will need to advise the sums insured or asset values or turnover on a GST Inclusive basis in addition to their precise taxable status.

INSURANCE CLAIMS AND THE APPLICATION OF THE POLICY EXCESS OR DEDUCTIBLE

Payment of an excess by an insured is not treated as consideration for a taxable supply and is therefore not subject to GST.

INSURANCE CLAIMS AND GST

The treatment of settlements for GST purposes depends on whether or not the insured is registered for GST and their entitlement to claim a full or partial input tax credit on the premium paid.

Registered insured

A registered insured is entitled to an input tax credit on a premium to the extent that it is acquired for a taxable purpose. If the insured is entitled to an ITC in respect of the premium, it must notify the insurer of the percentage that it is entitled to claim. This must be done on or before making the claim.

So long as the percentage notified by the insured to the insurer is correct, the insured will have no GST liability on a settlement received under the policy.

Settlements where a registered business can claim a partial input tax credit will be for an amount somewhere between the GST-exclusive and the GST inclusive price (depending on the entitlement).

Unregistered insured

An unregistered insured is not entitled to claim an input tax credit on the premium and has no liability to pay GST on the settlement.

Settlements to non-registered entities will be for the 'GST-inclusive price' of the insured item.

It is important to note that an insured is not liable to pay GST on claim payments, provided they have informed their insurer as to their entitlement to an ITC on the premium paid on the policy (or their tax status). This must be done at (or before) the time of a claim.

The tax status is the percentage an insured is entitled to claim as an input tax credit for the GST on the premium paid on any policy. If the insured is registered for GST, it is a requirement under the GST legislation for the insured to advise its Insurer(s) of its ABN and tax status. Failure to do so may result in the insured having a GST liability on any claim settlement made under any policy.

The level of an insured's tax status is a matter to be determined by a professional tax adviser.

Our advice to you regarding the application of GST on general insurance policies is offered in our capacity as insurance brokers. The level of your tax status as a business registered for GST is a matter to be assessed by your professional taxation adviser. We cannot and do not accept liability for the consequences of any information provided to your insurer regarding your entitlements to input tax credits on the premiums paid on your insurance policies.

ESSENTIAL READING OF POLICY WORDING

The original of your policy wordings have been provided to you or will be passed to you as soon as they are received from insurers. It is in your own interests to read these documents without delay and advise your insurance broker in writing of any aspects which are not clear to you or where any aspect of the cover does not meet with your requirements.

CANCELLATION WARNING (RETENTION OF BROKERAGE AND FEES)

If a cover is cancelled before expiry of the period of insurance, we reserve the right to refund to you only the net return premium we received from the underwriter, and not refund any part of the brokerage or fees we receive for arranging the cover. A broker service fee may be charged to process the cancellation.

NON-MONETARY REMUNERATION

During the course of our business we may receive non-monetary remuneration from insurers, underwriters or other third parties. This may include but is not limited to; access to technology platforms and I.T support, education and training, event sponsorship, and marketing assistance. We will not accept any non-monetary remuneration where doing so could reasonably be expected to influence the advice we provide to you.

PREMIUM FUNDING WARNING

Premium funding allows you to spread out the cash flow associated with paying your insurance premiums over the next twelve months. We receive a commission from the funder for arranging the funding contract; full details are available on request.

Please note that should the insurance policy be cancelled before the expiry date for whatever reason, the Premium Funder will charge you the full interest applicable to the contract, as detailed in the Loan Application Form. Typically there will be no refund of our commission on the refund premium and no refund of any fee we may have charged you for arranging the cover. We also reserve the right to charge you a policy cancellation handling fee. In some cases underwriters also apply minimum premiums to policies, which may further reduce the refund that you might otherwise receive.

The impact of the above on you is that any refund you receive for the mid term cancellation of your policy will usually be significantly less than a pro rata calculation would produce and in extreme cases may involve you having to make an additional final payment even though the policy has been cancelled. Therefore prior to cancelling a policy and replacing it with another cover we strongly recommend that you discuss your situation with us so that we can advise the exact extent and impact of the early cancellation provisions mentioned above.
